Re: Avery Landing, Idaho

Dear Bob:

I have enclosed the letter we received from Mike McNichols conveying a settlement offer. I apologize for not getting this to you sooner. The Department has had one of its contractors that has constructed a similar remediation system review the estimated costs for the implementation of the Remediation Plan at Avery Landing. It is the opinion of the contractor that the \$355,000 figure is a reasonably accurate estimation of costs. Please give me a call to address entry into a joint consent order with Potlatch to implement the remediation plan.

Yours very truly,

  
Douglas M. Conde
